DONATIONS

AND

SCHOLARSHIPS

At Over The Top, we've been expanding our Scholarship Program to give more students the opportunity to pursue the arts without financial stress. From our CRU Team and Theatre Program to students who dream of doing more but need additional support, we are grateful to offer meaningful opportunities to so many young performers at OTT.

It truly takes a village to raise the curtain for these young artists, and we invite you to join us in supporting these talented individuals and their families. By contributing, you become part of a community dedicated to fostering creativity, confidence, and growth in the arts. Thanks to our in-kind partners at The Village 99, we are able to provide tax receipts for donations—helping ensure that every contribution benefits everyone involved.
