Matthews Family
Charitable Trust

At Over The Top, we believe a quality performance fosters a quality education. Our program includes professional-grade costumes, props, sets, a theater venue, dedicated staff, and the invaluable support of parent volunteers. But what truly sets our camp apart is the "so much more" it offers: leadership skills, communication abilities, confidence, lasting friendships, a sense of community, and a safe space for self-expression. Many young artists return year after year, not just for the theatrical experience but for these transformative life skills.

To help continue to provide this space for families without the financial burden, please consider donating to our Scholarship program through our fiduciary TheVillage99!
